## HOW TO MAKE A CLAIM

Please contact Agile (see page 4 on the policy wording) to notify a claim and ask for a claim form. When submitting a claim please tell us what happened and provide us with all the documents we ask for. If not, we may have to reduce the amount of the claim or we may not be able to process the claim at all.

It is important to obtain as much documentation as possible at the time the situation occurs, as it can be difficult to obtain some documents.

- Get a written medical report or certificate from the treating **doctor** or **specialist** that clearly explains the medical condition.
- Keep originals of all documents that are submitted electronically.
- Lodge the claim as soon as possible of the situation that gives rise to the claim.

Agile's on-line claims system is available at [www.agileunderwriting.com/make-an-accident-health-claim](http://www.agileunderwriting.com/make-an-accident-health-claim).

### Do not admit fault or liability

Do not, unless we have approved:

- 1) admit any fault; or
- 2) offer or promise to pay any money; or
- 3) become involved in litigation.

### Claims processing

We want to process claims as quickly as we can. Once we have all the information we need, the claim will be acknowledged within two business days of receiving a completed claim form. We will advise in writing if we need additional information.

### Help us recover anything we have paid

You and the **policyholder** must do everything you can to help us recover any money we pay relating to a claim. You are required to let us know if you become aware of a third party from whom we can recover money.

### Other insurance

You and/or the **policyholder** must advise us if anything claimed is covered by another insurance policy. If there is another insurance policy in place, you and/or the **policyholder** must claim under that policy first. If you receive the full benefit from a claim under one insurance policy, you cannot make a claim under another policy.

We will make up the difference if you and/or the **policyholder** make a claim under another insurance policy and are not paid the full amount. We may, however, need to seek contribution from the other insurer and so you and/or the **policyholder** must give us any information we need for a claim against the other insurer.

### We may need to contact other parties

We may, at our discretion, undertake in your and/or the **policyholder's** name and on your and/or the **policyholder's** behalf, proceedings for our own benefit to recover compensation or secure compensation from any party relating to anything covered by this group policy.

You and/or the **policyholder** are to assist and permit to be done all acts and things as required by us for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled

or subrogated, upon **us** paying the claim under this **policy**. This applies regardless of whether **we** have yet paid the claim and whether or not the amount **we** pay is less than full compensation for the loss. These rights exist regardless of the reason for the claim being paid.

## Subrogation

If **we** make any payment under this **group policy**, then to the extent of that payment, **we** may exercise any rights of recovery held by **you** and/or the **policyholder**. **You** and/or the **policyholder** must not do anything which reduces any such rights and must provide reasonable assistance to **us** in pursuing any such rights.
